p. 68 –  CD classe 2 piste 33 –  piste 26

Tea: Oh my God! That's Taylor Swift!

Matthew: This is a problem... because I'm in love with Taylor Swift!

Journalist: The song "We're Never Ever Getting Back Together" by Taylor Swift is the biggest hit by a woman in history. Some of her fans are upset that she got pop instead of country. What do you think about that?

Matthew: I can understand that! Her new song doesn't sound country at all! I'm a big fan of Taylor Swift but what happened to MY Taylor? When I think of her, I think cowboy hats and cowboy boots! Taylor, if you go pop, you will lose your fans! I won't go to your concerts ever ever again, like never! Don't go pop!

Tea: Going mainstream is a very good thing! I'm so proud of you Tay Tay! I was crazy about you before and I'm crazy about you now! Yes! Yes! You'll get more fans now, you GO GIRL! I can't wait to go to your next concert!

Matthew: If she still sings country music, that's okay, but if she only sings pop, I will be heart-broken...
