Harry: Hello everyone, I'm Harry. So, we all think *Divergent* is a great movie. We all like the factions and we all wonder where we belong... What do you think about the factions? Which one corresponds to you?

Jacob: Hi, I'm Jacob. Err... I don't know... I like Amity: they are nicer than the others... Maybe I belong in Amity... They never fight... They always hug people, and I do that too. They are very often artists, and I love playing music... I don't know... It's hard to say... Well, I'm definitely not Dauntless... Too aggressive for me...

June: Oh I admire Dauntless. Err... I'm June and I just know I belong in Dauntless. They are more aggressive than the others, true, but they're also braver, more athletic... They protect others; they're not afraid of danger... I'm like that... I'm not afraid to face my fears.

Harry: Well, I'm different, I believe I don't belong in just one faction... I'm someone who doesn't have one way of thinking... I guess I am "divergent"... I call that quality "being human" because it's really hard to put people in boxes, you know. Don't you agree?
