Radio operator: ... a call... We just completed a double rescue using (a) board... One male and one female about 250 meters north of... Over...

Presenter: Surf lifesavers are experts at – you guessed it – saving lives on Australian beaches. But you don't have to be a grown-up to start your journey in the red and yellow. Bring it on, Nippers!

Man: It's like organising a small primary school, or a primary school every Sunday.

Little girl 1: We do sorts of things like boarding and swimming and tube rescues and board rescues. They're teaching us to be a lifeguard.

Little boy: I've been doing Nippers for two years, I think now, and my favourite game to do is sprints cos' I always win it and it's really fun.

Little girl 2: Hi. My favourite activity is boarding because it helps me with my swimming.
